JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

SEC. 10. The board of health shall have the right, through its members, health officer, food inspector, and its duly authorized officers or inspectors, to visit, view, and inspect all vessels, cans, receptacles, refrigerators, buildings, platforms, establishments, or places of any kind containing milk or its products, for the purpose of examining the condition thereof with reference to cleanliness and sanitation, and shall have the right to cause the removal and abatement of any unfit, unclean, or injurious condition attending the keeping, storing or possession, care, custody or control of milk, or any of its products, at any time and in all places within the said city of Cairo, and shall also have the right and power to enter and have full access to any building or premises where any milk or its products are stored or kept for sale, within said city of Cairo, and to enter and to have full access to all wagons, railroads, cars, or vehicles used for the purpose of delivering milk, or its products, to be sold or offered for sale in the said city of Cairo, and shall have the right to remove samples of such milk, or its products, therefrom, for the purpose of inspecting, testing, or analyzing the same, and shall also have the right to enter any and all dairies and the premises connected therewith in which cows are kept within the said city of Cairo from which milk is to be obtained for the purpose of being sold or offered for sale within the said city of Cairo, for the purpose of examining and inspecting said cows with the view of ascertaining the condition of said cows with reference to healthfulness and cleanliness.

SEC. 11. No rules or regulations respecting the sale of milk, cream, or buttermilk, within the said city of Cairo, other than the rules contained in this ordinance, shall be enforced unless the same shall have been submitted to and approved by the said board of health of the said city of Cairo.

SEC. 12. That any person or persons or corporation violating any of the sections of this ordinance, or any part thereof, or any of the rules and regulations of the board of health of said city of Cairo shall be adjudged to be guilty of a misdemeanor, and upon conviction therefor shall be fined not less than \$5 nor more than \$25 for each and every offense.

Deaths, Registration of—Burial and Removal of Bodies. (Ord. 31, Sept. 29, 1913.)

SECTION 1. *Burial or removal permits.*—That hereafter when any person shall die within the corporate limits of said city of Cairo it shall be unlawful to remove the body of such person from the said city of Cairo or to bury or cremate the same without first obtaining from the city clerk of said city a removal or burial permit; and any person who, without first having obtained such removal or burial permit, shall remove, bury, or cremate any such body, or who shall assist in, direct, or cause the removal, burial, or cremation of the same shall be fined in a sum of not less than \$25 nor more than \$200.

SEC. 2. *Death certificates.*—Every physician or midwife in attendance upon any person who shall die in the city of Cairo shall, upon a form prescribed by the State board of health, file with the city clerk, within 24 hours from death, a death certificate, stating the name, age, sex, residence, and cause of death of the deceased, and all other items of information required in the prescribed form of death certificate; or if the death be the subject of an inquest, the coroner or other officer holding said inquest shall, within 24 hours from the holding of such inquest, file a certificate of the prescribed form giving such information as required on said certificate. Any person who shall, in said certificate of death, knowingly make any false statement of the date, name, place, or cause of death of the deceased shall be fined in a sum not less than \$25 nor more than \$200.

SEC. 3. *Permit issued.*—Upon filing with the city clerk the certificate of death herein provided for, properly filled out and executed, the city clerk shall issue a permit for the removal or burial of the body of the deceased in said certificate of death.

SEC. 4. *Permit recorded.*—The city clerk shall keep a record of all permits so issued, which record shall show the date of the issuance thereof, the name of the person to

whom the permit is issued, and all other important items of information contained in the certificate of death on which such permit is issued.

SEC. 5. The city clerk shall deposit in his office all certificates of death presented to him and shall deliver to the State board of health at Springfield, Ill., on or before the 10th day of each month, all certificates of death presented to him during the preceding month.

Foodstuffs, Protection of—Groceries, Markets, etc., Care and Inspection of. (Ord. 250, May, 1913.)

SECTION 1. That no person or corporation shall conduct in the city of Cairo, Ill., a grocery or meat market at which milk, vegetables, fowls, meats, butter, eggs, berries, or other food products are sold unless the storeroom, market, shop, or inclosure where such articles are sold shall be properly screened with a wire screen of fourteen mesh, which said screen shall cover all doors, windows, and other openings to such storeroom, shop, or inclosure, and no person or corporation shall place or display any of the above-named articles of food kept or offered for sale or handled by him or it upon the sidewalk or pavement, nor in any showcase or window, unless such showcase or window is screened by a wire screen of the size mesh above mentioned, and all storerooms, markets, or shops, shall be properly and sufficiently ventilated both during the day and night, and wherever such place of business is over a basement, such basement shall be kept free from water and be thoroughly ventilated. No decayed vegetables or refuse shall be allowed in any basement under such rooms, markets, shops, or about such premises or on any part of such property, and the floors of such storerooms, markets, and shops shall be thoroughly swept each morning, and prior to such sweeping shall be sprinkled with water or some suitable means used to reduce the flying of dust to the minimum. No cats or dogs shall be allowed in such storerooms, and no person conducting such grocery or market shall keep for sale in such room, market, or shop in the city of Cairo for human food any plaited, raised, stuffed, impure, spoiled, putrid, unhealthy, or unwholesome vegetables, meats, eggs, milk, fish, bird, or fowl.

All groceries, markets, storerooms, shops, and inclosures shall at all times be open to inspection by the health officer, mayor, members of the board of health, and all other officers engaged in performing sanitary duties. If it is found that the provisions of this section are not complied with, or that such shops or places above described shall be found to be in an unclean and unhealthy condition, and the owner, proprietor, occupants or person in charge shall [sic] upon notice being given him, her, or them, as the case may be, by any such officer immediately remove all impurities and cleanse such premises as [sic] he or she shall be liable to a fine of not less than \$10 or more than \$100 for each offense, and \$10 for each day such premises shall not be cleaned under the first conviction under this chapter.

CANTON, OHIO.

Milk and Cream—Production, Care, and Sale. (Ord. May 16, 1913.)

SECTION 1. No person shall bring into the city of Canton for sale or shall sell or offer for sale any milk or cream without a permit from the board of health.

SEC. 2. No person shall bring into the city of Canton for sale or shall sell or offer for sale any milk which has been obtained from any milk dealer, dairyman, or other person not having a permit issued by the board of health.

SEC. 3. A fee of 50 cents shall be charged for each permit and the same to be credited to the general health fund.

SEC. 4. Permits shall be renewed annually in April. The applicant must state his name, residence, post-office address, and locations of his business place or places.
